A Message From the Your President!

Wow, how time flies when you are having fun. I can't believe it is fall already. Before you know it we will all be gathering in Sioux city for the Annual INA Show. With gold and silver markets strong I expect a very active show. John Jackson says that the convention site is very nice and he is getting good dealer response.

I have received several comments that we should have more articles in the newsletter. I agree with this sentiment and invite all members to contribute. The organization has many experts in their specialty areas of numismatics and I would like to hear from them. With the Iowa quarter coming soon, I can envision a series of articles by members with Iowa being the center point of the articles. For example Iowa tokens, Iowa Nationals, the Iowa centennial half would be great subjects.

If you would like to contribute let me know by email or in person at the convention.

With pleasure
Scott Nichols

From the Secretary's Desk

How many shows have you been to this summer? I know there have been a few and how exciting it can be getting together with other collectors. Fall is just around the corner and coming with it soon will be the annual INA Convention and Show being hosted by the Siouxland Coin Club. I know John Jackson has his hands full getting everything ready. A lot of people don't realize how much work it takes to put on a show like that, but we really do appreciate it.

We hope to see as many INA members as possible at the show, and will gladly add new members as well. Please stop and see me at the show, we'll check to see if you're paid up or we can take care of next year's dues at that time. Please remember to keep the INA informed of any address changes. It truly saves me time and the INA money on postage if I'm informed of the changes from the member instead of getting it sent back by the post office. Thanks to everyone for keeping me informed.

What do you think of the Iowa Quarter? There is still some controversy over this with a lot of people divided. People either love it or hate it with very little middle ground. I guess we'll just have to live with what we've got, you just can't please everyone.

Hope to see everyone in Sioux City Oct. 4th & 5th.

Beverly Ashton
INA Secretary/Treasurer

America's Heartland Sioux City

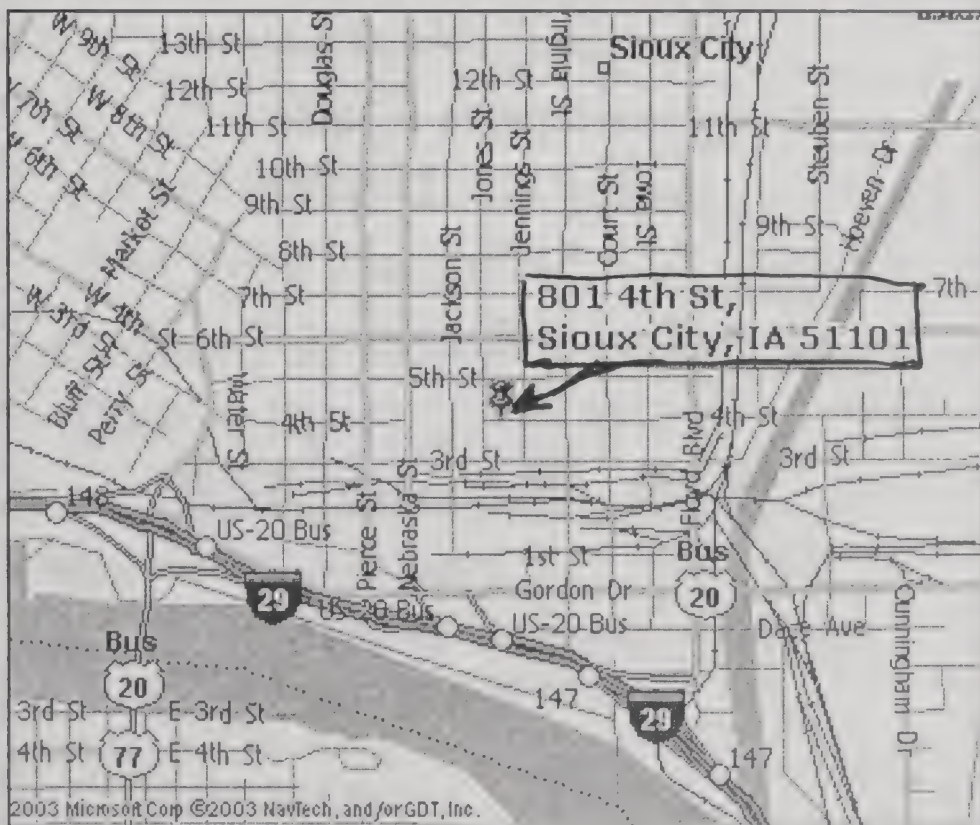

Sioux City is located in the center of America's Heartland at the confluence of the Missouri and Big Sioux Rivers and at the junction of the States of Iowa, Nebraska, and South Dakota. This Tri-State area is known as Siouxland.

Siouxland is a community of people dedicated to economic development and productivity. That dedication is embodied in the basic values of our Midwestern heritage that still thrives today - a heritage of strong work ethic, dedication to high-quality education and old fashioned ideals. Our quality of life is evidenced by the low cost of living, low crime rates, and the community's dedication to health care and education.

The City's 82,000 residents support a variety of activities for families, including the recently built Art Center, a symphony orchestra, municipal band, 54 municipally owned parks, and a multitude of cultural and recreational programs.

Siouxland is the headquarters to many national companies including Gateway 2000, IBP, Inc., Sioux Honey Association, American Pop Corn, Aalfs Manufacturing, Terra Industries, Inc., Metz Baking Company, Wilson Trailer, Inc., and Great West Casualty Company.

We welcome the INA and numismatic collectors to our city.
